Realizing that it may be a bit difficult for you to respond to DD/S 68-4133 without having seen the entire survey report, I am attaching a copy of the full paper for your perusal. I would appreciate your limiting to the essential minimum access within your Directorate to this paper for sensitivity reasons which you will appreciate. I would further appreciate your returning this copy to us after it has been read and is no longer needed in connection with your response to DD/S 68-4133.
